Dear Sirs,

It is noticed that New customers who are not enrolled with SCCL are also participating in E-auction. This is to inform that it is mandatory that only those customers who have SCCL customer code shall participate in e-auction.

The customers who are willing to participate in e-auction have to approach SCCL at least 15 days before the date of e-auction and register with SCCL for obtaining Customer Code No. to participate in e-auction. The registration procedure is kept in SCCL website, [www.scclmines.com](http://www.scclmines.com).

Hence, it is requested to create a screen while conducting e-auction in such a way that a customer has to enter the SCCL code and only then they should be allowed to participate in e-auction.

Yours faithfully,

**CHIEF GENERAL MANAGER  
(MARKETING)**
