All concerned are hereby informed that following modifications to financial coverage arrangements for coal supplies through FSAs under linkage auction route with NRS consumers and under Special Forward & Exclusive e-Auction Scheme have been received from CIL for implementation with immediate effect:

- To do away with the requirement for BG towards financial coverage under the Usance LC payment mechanism for supplies for Non-regulated sector (linkage auction route) under FSAs, Special forward and Exclusive e-auction under payment through Usance LC for supply under road mode, as the payment required for release of coal is realised under the LC before issue of the Delivery orders.
- Reduction of the existing financial coverage of 30 days supplies for supply under rail mode to the FSA consumers of Non-Regulated Sector (linkage auction route) and acceptance of Financial coverage in the form of a banker's cheque/demand draft or a bank guarantee issued by an Acceptable Bank for an amount equal to the estimated 'As Delivered Price of Coal' for 10 (ten) days of Coal supplies, i.e. ACQ/36 subject to a minimum amount equivalent to the 'As Delivered Price of Coal' of 1 (one) rake-load. This revised mode of financial coverage shall also be applicable for Usance LC mode of payment for supplies by rail under Special forward and Exclusive e-auction schemes.
