Any Indian Buyer (viz. individual, partnership firm, companies etc.) can participate in e-Auction for procurement of coal.

2. Registration:

2.1 Before participation in the e-Auction, a prospective Buyer shall be required to get itself / himself registered with Mjunction Services Limited, by submitting an application in the prescribed format available on the Website of Mjunction Services Limited. The application shall be made along with the required documents such as copy of Income Tax return (latest), PAN Number, Sales Tax / Vat Registration Certificate, SSI Registration, Trade License, if applicable, Passport size photograph, etc. as prescribed by Mjunction Services Limited. Registration can be done either online, or at the head office of Mjunction Services Limited at Kolkata.

2.2 After the registration, all-prospective Buyers will have an auto generated "Unique User ID" & a "password" based on which they can log in. Details of the registration process with Mjunction Services Limited will be available in their website.

2.3 Mjunction Services Limited shall issue "Photo Identity Card" to such registered bidders duly authenticating the identity & signature and indicating a "Unique Registration Number" allotted to them.

2.4 Only one registration will be done against one PAN number. However, based on more than one independent valid sales tax registration, more than one registration against a PAN Number can be considered. In such cases, the details of valid sales tax registration will be indicated in each 'Photo Identity Card'.

2.5 All Buyers having been registered with Mjunction Services Limited shall also have to furnish non-interest bearing Earnest Money Deposit (EMD) at the rate of **Rs.200/-** per tonne, with Mjunction Services Limited for participating in the e-auction.

3. Notification:

3.1 TATA STEEL - HMC DIVISION, HALDIA would draw program and intimate Mjunction Services Limited accordingly for hoisting the same on their websites.

3.2 The intending bidders shall be allowed to inspect the goods advertised for sale prior to the auction by arrangement with client. Admission to works will be by express permit that will be issued on request. Name of firms and / or representatives intending to visit the works should be specified in the application.

3.3. Prices achieved (Bid price) through e-Auction is subjected to approval and TATA STEEL LTD reserves the right to reject the same without providing any reasons. Price bids should be valid for 7 days from closure of the e-auction.

4. Bidding Process

4.1 The registered Bidders shall be required to record their acceptance after login, of the Terms & Conditions of the e-Auction before participation in the actual Bidding Process.

4.2 Goods will be sold on 'as is where is' basis. Before participating in e-Auction, bidders are to satisfy themselves with the quality of coal products being offered from a source. Bids will be deemed to have been made on the clear understanding that intending bidders have satisfied themselves fully in regard to the nature, condition, quality and quantity of goods upon inspection.

4.3 Prospective Bidders are entitled to Bid for the quantity to the extent of amount of EMD which is available with Mjunction Services Limited in the bidder's account at the time of bidding.

4.4 The Bidders while bidding shall quote their "Bid price" per tonne in Indian Rupee as base coal by-product price at source basis, exclusive of other charges like statutory levies, handling and loading charges, surface transportation charges, sizing/beneficiation charges, taxes, cess, royalty, SED & any other charges as will be applicable at the time of delivery. These charges as well as freight etc. shall be on the Bidders' account.

4.5 The bidder has to bid for a price equal to or above the reserve price to secure consideration in the concerned e-Auction.

4.6 The date, time and period of e-Auction as notified in advance including closing time on portal of Mjunction Services Limited shall be adhered to but for the event of force majeure. However, the closing time of e-Auction will be automatically extended up to last Bid time, plus 5 minutes, so that opportunity is given to other Bidders for making an improved Bid on that item.

4.7 The Bidder shall offer his Bid price (per tonne) in the increment of Rs.10/- (Rupees ten) during the Normal e-Auction period of 1 hour. During the extended period of first two (2) hours, the Bidder shall offer his Bid price in the increment of Rs.20/-. Beyond this extended period of two hours the bid price increment would be Rs. 50/- (Rs. Fifty) only.

4.8 While maintaining the secrecy of Bidder's identity, the web site shall register and display on screen the lowest successful Bid price at that point of time. The system will not allow a Bidder to Bid in excess of his entitled quantity as per his EMD. However once a Bidder is out-bided by another (in part or full) the particular Bidder shall become eligible for making an improved Bid.

5. Post e-Auction process:

5.1 Each successful bidder will be intimated through SMS by Mjunction Services Limited upon price approval by client. However, it will be the responsibility of the bidder to personally see and download the result displayed on website, from the "lot confirmation" link.

5.2 Upon the approval of the Bid price by TATA STEEL LTD, the successful bidder will be required to deposit material full value within 5 working days from date of such approvals.
