Dear Sir,

Sub : Modification in the Spot e-Auction Scheme 2007 and Forward e-Auction Scheme in respect of registration procedure .

This is with reference to the procedure of registration of bidders for participation in Spot e-Auction Scheme 2007 and forward e-Auction Scheme introduced by CIL in terms of New Coal Distribution Policy.

In order to encourage wider participation in e-auction of coal the following modification in the schemes has been approved by competent authority .

Spot e-Auction Scheme 2007	
As per Existing scheme	As Modified
Clause 2.4 : Only one registration will be done against one PAN number. However, based on more than one independent valid Sales Tax registration, more than one registration against a PAN number can be considered . In such cases, the details of valid sales tax registration will be indicated in each "Photo Identity Card"	Clause 2.4 : Only one registration will be done against one PAN number. However, based on more than one independent valid sales tax/VAT registration, more than one registration against a PAN number can be considered. In such cases, the details of valid sales tax registration will be indicated in each "Photo Identity Card". In the event of one PAN number and one sales tax/VAT registration number for a bidder having multiple units in one state, more than one registration will be allowed based on independent valid excise registration number or factory license for such units and the same will be indicated in each "Photo Identity card"

Forward e-Auction Scheme	
As per existing scheme	As Modified
Clause 2.5: Only one registration will be done against one PAN number. However, for more than one coal consuming unit, having independent valid Sales tax/VAT registration, more than one registration against one PAN number can be considered. In such cases, the details of valid sales tax/VAT registration against each consuming unit will be indicated in each "Photo Identity Card".
