Tentative schedule of the laycans for FY'26 Laycan.

Sr. No.	Month	Half Year
1	April	H1
2	June	
3	August	
4	October	H2
5	January	
6	March	

For cargo allocation in a 6-month period, if 2 separate buyers are there, the allocation methodology would be as under:

1. The Highest bidder would have the first preference to select the preferred month cargo.
2. In case of a tie in price bid, the bidder who have quoted earlier would have the first preference to select the preferred month cargo.
