SECTION A

1. Overview

GNRL Oil & Gas Limited (**GOGL**) is the Operator of the Kanawara oil & Gas field located village Kanawara, Taluka Tarapur, District Anand, Gujarat, India. M/s. Gujarat State Petroleum Corporation Limited is Joint Venture Partners in the field.

GNRL Oil & Gas Limited and M/s Gujarat State Petroleum Corporation Ltd (**GSPC**) are parties to a Production Sharing Contract dated 23rd February 2001 with Government of India, as amended from time to time, in respect of the Contract Area **Kanawara**. GOGL and GSPC shall be referred to as **Sellers** jointly and individually as Seller, in context of this RFP.

GOGL, as authorised representative of the consortium under Kanawara PSC, invites offers from Interested Parties for purchase of 30,000 SCMD Associated Natural Gas from Kanawara field on Fall-back and As is where is basis. The gas is available for offtake with immediate effect.

- The delivery point for sale of this Gas shall be the outlet flange of the Gas Collecting Station (GCS) installed within the boundaries of Kanawara field.
- This sale of Associated Natural Gas will be on Fall-back and As is where is basis and in accordance with the applicable guidelines announced by MoPNG from time to time and provisions of the Production Sharing Contract of Kanawara field.

In case of additional gas is available on temporary basis, the same shall be allocated to successful Bidder(s) on 'first come first serve' basis at H1 rate (highest bid rate).
(The abovementioned activity will be done offline)

In order to comply with Govt. of India's notification pertaining to Natural Gas Marketing Reforms dated 15th October 2020 and Discovery of Market Price for Domestically Produced Natural Gas through e-bidding (Notification No. Expl-15022(13)/234/2019-ONG-DV (P-32114)) dated 03rd December 2020, GOGL has appointed M/s mjunction services limited as an independent agency empaneled by Directorate General of Hydrocarbons ("DGH"), to conduct bidding process for the sale of natural gas through an online web based electronic bidding platform which is available at <https://eps.buyjunction.in/gasbidding>. M/s mjunction Services Limited would herein after be called the Empaneled Agency.

Through this Request for Proposal ("**RFP**") dated **May 19, 2023**, GOGL invites offers from Interested Parties willing to offtake natural gas volumes available for offtake from the Kanawara Field as per the terms and conditions of this RFP and the Gas Sales Contract (GSC). GOGL reserves the right to amend or introduce changes in the Tender Documents (RFP and GSC) at any time prior to the Bid Submission Due Date.

Interested Parties ("**Bidders**"), meeting Eligibility Criteria mentioned in this RFP and willing to undertake unconditional acceptance of terms of the Gas Sales Contract appended with this RFP, are requested to participate in the Bidding process by submitting their Bid as per provisions of this RFP.

- c) The Bidder fails to submit Payment Security as per terms of the GSC upon issuance of the LOA;

3.10.2. GOGL shall return the Bid Bonds to all unsuccessful Bidders, whose Bid Bonds are not forfeited in accordance with the provision of this RFP, within one (1) month after completion of the Tendering Process.

3.10.3. The Bid Bond of the Successful Bidder shall be returned once the successful Bidder submits Payment Security as per the terms of the GSC and the RFP.

4. Bidding Process:

The overall bidding process will be conducted in two phases – pre-qualification phase and e-auction/ competitive bidding phase. The detailed activities in these two phases have been outlined below:

Phase 1 – Pre-qualification

- 4.1.1. **Publishing of bidding documents:** To apprise potential Bidders of the auction process, the RFP (Request for Proposal) and draft GSC, etc. would be made available on landing page of the portal of Empaneled Agency. The Bidders would be able to download these documents without registering on the platform.
- 4.1.2. **Clarifications to Bidders' queries:** Bidders would be able to send their queries to the designated

email address (gnrlebidding@mjunction.in) before registering on the portal. However, post registration on the portal, the bidders would also be able to upload their queries on the portal. The clarification to all the queries would be hosted on the e-portal.

- 4.1.3. **Registration on the e-auction portal:** After the last date of submission of bid documents (as mentioned in Clause 5 of this RFP), all the bidders who have submitted their documents for technical evaluation will be provided with the login credentials of the e-auction portal.
- 4.1.4. **Document upload for Technical Evaluation:** The Bidders would be required to submit the documents as per list of documents specified below for technical evaluation. The documents would be required to be duly digitally signed and uploaded on the portal before date specified in Clause 5 of this RFP. Each Bidder will be required to upload the following documents on the portal:
- (i) be required to submit a copy of the Registration/Incorporation certificate for companies, LLPs, co-operative societies, or partnership deeds in case of partnership firms.
 - (ii) be engaged in the business that involves the consumption of natural gas;
 - (iii) be required to submit Power of Attorney or Letter from the Board/ Board Resolution of the Bidding Company authorizing a representative as Authorized Signatory for the purpose of participating in the Bidding Process;
 - (iv) be required to submit Bid Bond in the form of Bank Guarantee (BG) as per provisions of this RFP;
 - (v) be able to demonstrate positive net worth as on March 31, 2022. For this purpose, the bidder shall be required to submit a Chartered Accountant certificate;
 - (vi) be required to submit the previous 3 years' audited Financial Statements of the Bidding Company along with the Bid; Or
be required to provide the previous 3 years' audited Financial Statements of the Parent Company along with the Bid in absence of the Financial Statements of the Bidding Company.
 - (vii) Each of the foregoing documents should be digitally signed by the Bidder's Authorized Representative prior to submission.
 - (viii) The Bidder, if successful, shall submit an undertaking (as per format placed at Exhibit-3) prior to commencement of gas off-take declaring that Bidder has obtained all necessary statutory/ regulatory approvals and compliances for commencement of gas off-take. The successful Bidder would hold harmless and Indemnify Sellers against any loss, damage, notice, prosecution, etc., arising out of commencement of gas supply by Sellers relying on the undertaking furnished by the successful Bidder.

- (ix) Sellers shall not be liable for failure of the bidder/s to obtain any statutory/regulatory clearances. The bidder shall submit an Undertaking in the format prescribed at Exhibit- 2 of the RFP for above compliances.
- (x) be able to lay pipeline from their unit upto Delivery Point prior to Offtake Start Date. An undertaking is required to be submitted along with Technical Bid.

4.1.5. Notification to eligible Bidders by the e-auction agency: After the evaluation of the documents, the e-auction agency shall, by email, inform all eligible Bidders of their advancement to next phase of the bidding process with auction URL on the date specified in Clause 5 of this RFP. The unsuccessful Bidders would also be separately notified, and their BG would be returned to them as per provision of 3.10.2 of this RFP document.

Phase 2 - Competitive Bidding

4.1.6. Mock run-on competitive e-bidding: Prior to the E-Bidding Date, the e-auction agency shall organize a mock run of the E-Bidding Process to help Bidders familiarize themselves with the features of the E-Portal. Such mock run shall be held on a predetermined date as specified in Clause 5 of this RFP. The e-auction agency shall notify the requisite details for the mock run to relevant Bidders via email. Bidders can either complete the training modules uploaded on the portal or can opt for online training session.

4.1.7. Competitive e-bidding: The bidding will start at a date and time specified in Clause 5 of this RFP. The bidding will be of 60 minutes with details of first bid and dynamic bidding as described in Clause 6.2.

4.1.8. After the end of the e-auction process, Sales Gas will be allocated to the successful Bidder(s) (“Buyer”) based on the allocation criteria and method outlined in Clause 7. The Buyer will be accordingly notified over their registered email IDs. Subsequent to this, the Buyer shall:

- i. Execute GSC with the Sellers as per Clause 6 for the gas volumes, duration and price allocated to the Buyer. (If any changes are made to the draft GSC during technical queries stage, a modified draft of GSC may be published on e-portal before the start of Phase 2. This final GSC published will be deemed agreed in its entirety by all Bidders and will be used for final signoffs).
- ii. Make necessary evacuation arrangements for offtake of Sales Gas from the Delivery point before the Offtake Start Date as confirmed in the Technical Bid.

5. Bidding Schedule

6. Bid Parameters and Bidding Rounds

To participate in the Bidding Process, each Bidder shall be required to quote valid bids against the following parameters:

6.1. Price (Premium “P”)

Bidders shall put in Price Bid as Premium “P” over Reserve Gas Price in USD/MMBTU in the Commercial Price Bid.

Minimum Bid for Premium “P” shall be 0.10 USD/MMBTU. Premium “P” shall be any positive number in multiple of 0.10 USD/MMBTU. For avoidance of doubt, Reserve Gas Price shall be **Domestic Gas Price as notified by PPAC/ MOP&NG, Govt. of India** on monthly basis for domestically produced gas as per the MoP&NG's Notification L-12015/1/2022-GP-II (E-44157) dated 07.04.2023 under New Domestic Natural Gas Pricing Guidelines, 2014 dated October 25, 2014 in USD/MMBTU and the applicable Reserve Gas Price for month of May 2023 is 8.27 US\$/MMBTU on GCV basis.

6.2. Offtake Start Date

During the First bid, each Bidder shall be required to indicate an Offtake Start Date that should not be more than 15 days from the date of LOA. Once submitted in the first bid, the Offtake Start Date would freeze, and the Bidders would not be able to change the same in subsequent bids.

6.3. Volume

Gas Volumes which Bidder is willing to offtake.

Individual Bidder can bid for gas quantity up to a maximum of 10,000 SCMD, with the minimum quantity allowed to bid for being 3,000 SCMD and in multiples of 100 SCMD thereafter upto 10,000 SCMD.

Volume Bid is a biddable parameter through-out the e-auction.

6.4. Bidding Rounds

All the techno-commercial qualified bidders are eligible to participate in the e-auction process. During the e-auction process, the following variable can be modified:

- a) **Starting Price bid:** The starting price bid for the bidding process shall be the one to be quoted during the e-auction. The start bid price to be 0.10 USD/MMBTU.
- b) **Ticker size for price bid:** Only upward increments of the price bid shall be allowed and it cannot be decreased. The minimum increment ticker size for the price bid shall be USD 0.10/MMBTU, and the Bidder can only increase its previous price bid in multiples of the ticker size defined. Starting price bid to be two decimal digits.
- c) **Starting Volume bid:** The starting volume bid for the bidding process shall be the one that is quoted by the Bidder during the e-auction.
- d) **Ticker size for volume bid:** Bidder shall be required to quote Volume bids that it would be ready to offtake. All bids quoted against Volume must comply with the following requirements:
 - (i) Total Available Volume: A total volume of 30,000 SCMD would be available for bidding;
 - (ii) Minimum Volume bid: The minimum volume for individual bidder for the bidding process

shall be 3,000 SCMD;

(iii) Maximum Volume bid: The maximum volume for individual bidder for the bidding process shall be 10,000 SCMD;

The volume bid can be increased or decreased in multiples of ticker size during the bidding process and ticker size for the volume bid shall be 100 SCMD subject to Minimum/ Maximum Volume bid. The Volume bid can be increased or decreased provided the price bid is increased. However, Bidder shall not be allowed to reduce the Bid volume below the provisionally allocated volume.

- e) All the qualified bidders, during the e-auction process would be able to see the quantity of gas allocated against their quoted bids. However, Bidders would not be able to see the allocated volumes of other bidder/s.
- f) **E-auction rounds and closure:** The key features of the e-bidding round is as follows:
- g) **E-auction Duration:** The total E-auction Process shall be for a period of 60 minutes initially.
- h) **Dynamic e-auction:** The entire e-auction process will be dynamic and will be subject to extensions as per Clause 6.4 (i).
- i) **Extension of e-auction Duration:** If a valid bid is received within the last 5 minutes before the close of the e-auction duration and such bid alters the Provisional allocation Quantity determined by the e-Bidding Portal for any of the Bidder, there would be an automatic 15 minutes extension of the auction duration. The 15 minutes auto extension will start from the time of the first bid received within the last 5 minutes before the closure of the auction period. There will be unlimited auto extensions. In case the e-auction does not get closed within 18:30 hours of a particular day then the auction will get automatically paused and the same will be resumed at 11:30 hours of the next business day.
- j) **E-auction termination:** The E-auction process ends if there is no bid revision in the period specified above of this RFP.

7. Determination of Final Allocation Logic

During the bidding process, following logic would be used to determine the provisional allocation and when there is any change in the price quote of the bidder/s

7.1. Following steps shall be followed to determine the allocation of gas quantity based on the Commercial Price Bid:

Step 1: The Price bid will be arranged in descending order.

Step 2: The provisional quantity shall be determined as follows:

- A. Based on the quoted price, the Provisional Quantity shall be determined for the highest Price Bidder for the full volume which it has quoted (subject to the maximum volume bid and offered quantity). This quantity allocation process will be followed by the next highest Bidder for its quoted volume or remaining available volume, whichever is lower, and so on until the total available volume is fully allocated.
- B. If there is a tie for any valid bids for Gas Price Bid, the E-Portal shall arrange such tied bids in descending order based on the earliest Off-take Start Date. In such case, the Provisional Quantity shall be determined for the highest bid for the earliest Off-take Start Date amongst the tied bids, for the full volume which it has quoted or the available quantity, followed by the next earliest Off-take Start Date under the Offtake

Start date for its quoted volume or remaining volume, whichever is lower, and so on until the available volume is fully allocated.

- C. In case of a tie in quoted Premium “P” and Off-Take Start Date, and if aggregate volume of gas quoted by the bidders is less than available gas volume, Bidders will get volume allocated as per their quoted volume and if aggregate volume of gas quoted by these bidders is more than available gas volume, available gas volume shall be pro-rated amongst tied Bidders as per their quoted quantity. In such a case of rounding off to happen to the nearest lowest integer.

Step 3: Steps 1 and 2 shall continue throughout the E-auction Process and the Provisional Quantity shall continue to be determined by the E-Portal dynamically, until the conditions for the closing of the E-auction Process as specified in clause 6.4 (g) are met.

Step 4: Upon the closing of the E-Bidding Process, the Provisional Quantity determined based on the last bids received shall be considered as the Final Quantity for each Bidder.

- 7.2. At the end of the e-auction process, all the successful Bidders would be notified regarding their respective allocated volume. The option shall be given to bidders to surrender the gas allocation if the quantity awarded is less than 3,000 SCMD.
- 7.3. Surrender of gas allocation activities to be executed offline. Such Bidder needs to communicate via email to GOGL at contracts@gnrl.in within 1 working day from the notification regarding their respective allocated volume. In case the Bidder fails to notify GOGL of surrendering its allocated gas volumes, the gas shall be deemed to have been allocated.
- 7.4. Based on the result of the Tender Process, GOGL will issue LOA to the successful Bidders.

8. General Guidelines

- 8.1. A bid, once submitted, shall be binding on the Bidder who has submitted such bid. Each Bidder undertakes to offtake the GSC Quantity as determined at the end of the Bidding Process as per terms of RFP and GSC.
- 8.2. Each Bidder undertakes to declare its use of the gas to be delivered by the Sellers, in the relevant Bid Formats in this RFP.
- 8.3. Any attempt by a Bidder to influence the bidding process or the evaluation and determination of Bids shall immediately result in a disqualification of their Bid.
- 8.4. The outcome of the Bidding Process and the results determined pursuant to the Bidding Process shall be final and binding on all Bidders and shall not be a subject of a dispute under any circumstances.
- 8.5. Each Bidder represents and acknowledges to the Sellers that it possesses the necessary experience, expertise, and ability to undertake and fulfill its obligations, under all phases involved, in the performance of the provisions of this RFP and the GSC.
- 8.6. The Sellers reserves the right to withhold or withdraw the Bidding process at any stage or cancel or modify the process or change / modify/amend any or all provisions of this RFP, at any time, without any liability and assigning any reason whatsoever by notice to all Bidders.
- 8.7. All future amendments, if any, to this RFP and the GSC during the bidding process shall be emailed for notification to all Bidders who have registered on the portal.
- 8.8. By submitting a bid, each Bidder certifies that:
 - 8.8.1. it has arrived at its Bid without agreement with any other Bidder of this RFP for the purposes of restricting competition or otherwise;
 - 8.8.2. the Bid Parameters submitted have not been disclosed and shall not be disclosed to any other Bidder;

- 8.8.3. no attempt has been made by it to induce any other Bidder to submit or not to submit a Bid for the purposes of restricting competition; and
- 8.8.4. no attempt has been made by it to collude with another Bidder in determining its bids or influencing the decisions of other Bidders.
- 8.8.5. Each Bidder must ensure that its bid is complete in all respects and conforms to all the terms and conditions specified in this RFP.
- 8.8.6. In case of any conflict between the provisions of this RFP and the GSC, the provisions of the GSC shall prevail.

The Sales Gas Price shall be calculated in USD/MMBTU terms. Premium "P" over Reserve Gas Price is a biddable parameter.

Applicable Gas Price (on GCV basis) shall be
Higher of

1) Reserve Gas Price + quoted "P"

Or

2) 6.50 USD/MMBTU

Reserve Gas Price shall be Domestic Gas Price as notified by PPAC/ MOP&NG, Govt. of India on monthly basis for domestically produced gas as per the MoP&NG's Notification L-12015/1/2022-GP-II (E-44157) dated 07.04.2023 under New Domestic Natural Gas Guidelines, 2014 dated October 25, 2014 in USD/MMBTU.

Reserve Gas Price applicable for period between May 01, 2023 and May 31, 2023 is 8.27 USD/MMBTU on GCV basis.

In addition to the Reserve Gas Price, Premium "P" shall be as per the Bid in USD/MMBTU.

We _____ (Customer to specify its exact legal name) having our registered office at _____ and principal place of business at _____ hereby declare that we accept the above mentioned Applicable Gas Price.

We also acknowledge and agree that we shall be liable to pay: (a) Marketing Margin at 5% of the Applicable Gas Price; (b) all taxes, duties and levies on the sale of gas where applicable as per the terms of GSC; and (c) all transportation tariffs and charges and any taxes, duties and levies thereon as applicable, to the relevant transporters, if any.

Dear Sirs,

We have read the terms and conditions provided in the RFP and GSC regarding obligation of the bidder to obtain all the necessary statutory/regulatory clearance for the proposed gas usage.

We agree and undertake that we will obtain all the necessary statutory/regulatory compliances before commencement of gas offtake and will furnish an undertaking as per Exhibit-3 of the RFP confirming that we have obtained all necessary statutory / regulatory compliances and approvals before commencement of the gas offtake. We also confirm that we will hold harmless and indemnify GOGL against any loss, damage, notice, prosecution etc arising out of commencement of gas by GOGL relying on the undertaking furnished by us.

We also agree and undertake that any delay in gas offtake due on such account would lead to encashment of payment security as mentioned in this RFP.

Yours faithfully,
