Sub: Addendum to be incorporated in the terms and conditions of Forward e-Auction scheme.

Dear Sir,

The following modification in Clause 2.5 has to be incorporated in the existing terms and conditions of Forward e-Auction scheme, as advised by CGM(S&M), CIL Marketing Division, Kolkata vide letter no. CIL: S&M:GM(F):e-auction/185 dated: 05.05.2010.

Clause 2.5 : Only one registration will be done against one PAN number. However, for more than one coal consuming unit, having independent valid sales tax / VAT registration, more than one registration against one PAN number can be considered. In such cases the details of valid sales tax / VAT registration against each consuming unit will be indicated in each "Photo Identity Card". In the event of one PAN number and one sales tax / VAT registration number for one bidder having multiple units in one state more than one registration will be allowed based on independent valid excise registration number or factory license for such unit and the same will be indicated in each "Photo Identity Card".

The above modification may kindly be uploaded in your official website as an addendum to the existing terms and conditions of Forward e-auction scheme immediately.
