Notice for eAuction consumers by Rail mode

All the bidders in the eAuction are advised to indicate the destination of the consignment along with the order booking. In case the bidders do not furnish the destination, the order booking will be treated as incomplete and shall not be accepted and will be subject to clause No.9 of the terms and conditions of Spot eAuction scheme 2007.

However if the successful bidders desire to change the destination after placement of order, the same will be accepted before placement of the indent with the railway. Such intimation should be given in writing and failure to do so before placement of indent with the railway, the original destination shall be treated as final and registration of the rake will be done accordingly.

NEC/CIL will not carry any liability on account of change of destination etc. if any levied by the railways.
