CIL/M&S/R&D/78

Date: 08.03.2024

**NOTICE**

**Subject: Modalities/SOP for providing coal for testing and R&D purpose**

The following modalities/SOP have been approved by competent authority at CIL for release/allotment of coal to various entities/organizations/institutions etc. for the purpose of testing/R&D activity:

- i. The willing entities/organizations/institutions may submit request to concerned coal company/CIL for providing coal for testing/R&D Purpose.
  - ii. A maximum upto 50 tonnes of coal can be allotted/released from any one source for testing/R&D purpose based on the request received & subject to availability.
  - iii. In order to procure such coal, the entity/organization/institution shall have to apply in the respective coal company along with an affidavit declaring that the coal procured will be used for Research & Development and/or testing purpose only and shall not be resold.
- Along with the affidavit, the basic documents like PAN/GSTIN of the entity/organization/institution will also required to be submitted so as to establish the identity of the applicant.
- iv. The price of coal supplied through this mechanism shall be the higher of the following
    - Highest e-auction premium percentage fetched during last 5 years (last 4 financial years and the current financial year) from any source of that coal company/subsidiary. This percentage premium shall be applied on the indexed notified price of Non-Regulated Sector(NRS) of the coal being sold to the consumer.
    - Highest NRS linkage percentage premium fetched during last 5 years (last 4 financial years and the current financial year) years from any source of that coal company/subsidiary. This percentage premium shall be applied on the indexed notified price of Non-Regulated Sector(NRS) of the coal being sold to the consumer.
  - v. CMD/Director(in charge M&S) of the respective coal companies will be the approving authority for release of such coal to the applicant.
