NOTICE TO THE E-AUCTION CUSTOMERS

In our ongoing efforts to ensure ease of business for our esteemed customers, steps are being taken to enable them to make online applications for release of coal in our web portal and to get the Delivery Orders in digital format. This shall enable the customers to transact business with WCL from the convenience of their office without need to visit our office. We are in the process of developing the software and aim to offer this facility starting from Spot e-Auction customers during the month of July, 2016 and to extend to the other consumers in a phased manner. This initiative is a part of "Mission Sampark" launched by WCL to connect with our customers and to offer quality services.

For this purpose, we request our esteemed customers who are registered with our Service Providers viz., M/s mjunction Services Ltd. and M/s MSTC Ltd. to furnish us the certain essential details in the below mentioned format :
